You will learn how to identify recent changes in the contract as well as new forms added to the forms package, correctly complete each of the changed paragraphs, and explain important sections to clients.

The GAR Contracts class is an absolute must for all new and experienced agents! Earn three hours of continuing education credit while learning about the changes made to the 2012 GAR Purchase and Sale Agreement F20 and new forms available.

THE CONTRACT – EXHIBITS AND AMENDMENTS

This course will explain the difference between an exhibit and an amendment and help the agent to assess the necessary forms for various transactions. Many forms are covered in detail. The course will enhance the agent's ability to identify the various provisions needed to complete an efficient ethical transaction.

This class is a great follow-up to the 2012 GAR Contracts class and the Lease Purchase class, and a must for every licensee using the GAR forms!
